MAKE IT HAPPEN
CHOOSE FAIRTRADE

Fairtrade fortnight starts 24th February – 10th March

In school we will be raising awareness of Fairtrade: we are hosting a speaker from Cafod (The Catholic Agency for Overseas Development) who will talk to pupils in RE and Geography.

CAFOD
Just one world

We will be completing activities in form-time, and running the Fairtrade Cafe in the second week, promoting Fairtrade products, ideas, and hopefully raising money (last year we raised enough to help start one business fully and help another half of the way!)

What unites us?

What divides us?

Aims

- Provide a forum for discussion on issues of mutual concern.
- To bring people together of faith and no faith in celebrating diversity in society.
- To develop strong and positive links with other schools.
- Be champions of community cohesion.
- To develop role models for young people.

Events so far

Does religion play apart in your life?

There are many religions out there.

Faith matters

Faith is subjective confidence or trust in a person, thing, deity, or in the doctrines or teachings of a religion.

Do you believe in matters of faith being discussed?

Year 10 PowerPoint on 'Faith Matters' sent out to all forms, January 2014

If you are a part of a religion, how do you think other religions are linked to yours?

What we are proposing

- Building on the assembly to year 7 students, pupils in year 9 and 10 are going to start going into primary schools to deliver sessions on the theme 'Faith Matters'.
- We are planning to take the pupils of Bishop Challoner to St Phillip's Cathedral for a Sunday morning service and talk afterwards.
- There is a Three Faiths Forum presentation event for linking schools in July and we would like to take pupils there.
- Potential link with Anne Frank Trust UK and as a consequence a Jewish Faith school.
