- Participation in school clubs
- Undertaking student leadership roles.

What is the Yardleys Personal Development Curriculum?

Yardleys Personal Development curriculum has been structured using a thematic spiral approach with age appropriate content throughout. The content was selected using the statutory guidance as a guide to key topics, with student and teacher input on the ordering and addition of extra content.

Yardleys school governors, which include independent members of the school community and parents have approved all content and support in it's delivery.
