## A MESSAGE FROM OUR HEADTEACHER

It has been a really positive start to 2025. It has been wonderful to see everyone again after a well-deserved break. We have had a very busy start to the new term. This month's edition contains some of the key highlights and achievements. I would like to take this opportunity to thank parents and carers who support the school by ensuring their child arrives on time, in full school uniform (including a school bag) and fully equipped. ## A DAY AT THE UNIVERSITY OF BIRMINGHAM

Fifteen GCSE Statistics pupils recently attended an Economics lecture taster day at the University of Birmingham with Associate Professor Dr MacDonald. They learned about nudge theory, which explores how small changes can encourage better choices for individuals and the environment. After a campus tour, pupils enjoyed a behind-the-scenes visit to the Lapworth Geology Museum, where they handled real dinosaur fossils and 300-million-year-old Digbeth trilobite fossils. A fascinating day of learning and discovery.

## GCSE SCIENCE LIVE: INSPIRING MINDS AT SYMPHONY HALL

Twenty Year 11 pupils attended the GCSE Science Live event at Symphony Hall, Birmingham, where they heard from world-renowned scientists. Guest speakers included Professor Robert Winston on fertility and Professor Jim Al-Khalili on time travel, alongside fascinating talks on space weather and the aurora, smart materials, and the beauty of maths in nature. A truly inspiring day of science in action.

## EXPLORING THE WORLD OF HOSPITALITY: OUR YEAR 10 AND 11 STUDENTS VISIT MALMAISON

This January, our Year 10 and 11 catering students had an incredible opportunity to step into the vibrant world of hospitality with a visit to Malmaison in the city centre. This engaging experience allowed them to gain first-hand insight into the various roles that exist within a hotel environment.

During their visit, students participated in hands-on recruitment-style activities that provided them with a taste of the skills and responsibilities required in the industry. They discovered everything from front desk operations to event management, all while engaging in practical exercises designed to simulate real-world scenarios.

One particularly enjoyable and educational highlight was learning how to make a hotel bed to perfection. Our students quickly realised that there is an art to it, and they took pride in their newfound skills!

This unforgettable experience not only broadened their understanding of the hospitality sector but also inspired them to consider future career paths. A huge thank you to Malmaison for hosting us and for their commitment to inspiring the next generation of hospitality professionals. We look forward to more opportunities like this in the future!

## MASTERING MOCK INTERVIEWS: PATH TO SUCCESS

A big thank you goes out to all the dedicated volunteers and the fantastic Learn 2 Work team for their invaluable support during our mock interview sessions. The Year 10 students truly benefited from this experience, receiving constructive feedback that will undoubtedly aid them in their future career journeys. The insights gained were immensely useful, helping to build their confidence and prepare them for the real-world challenges ahead. It's initiatives like these that make a significant difference in our students' lives, and we are grateful for the time and effort contributed by everyone involved.

## BOOK OF THE MONTH

To celebrate Mental Health Awareness and 'Time to Talk Day' which is on 6th February, our book of the month is 'Face' by Benjamin Zephaniah.

Martin is feeling on top of the world, with his credibility established and his partner Natalie proud of him. However, he soon realizes that unexpected challenges await. After a terrible incident leaves his face scarred in a joyriding accident, Martin's life is changed forever.

This story shows the different ways in which the society/world reacts to huge physical changes and how difficult it can be to cope with them. It also shows us a strong young protagonist who is able to deal with the situation maturely and learn as he lives through this.

We are grateful to Midland Mencap for this experience and look forward to future collaborations to promote inclusivity. Together, we can pedal towards a better world!
