MFL AT YARDLEYS

INTENT: In MFL our aim is to help our students to become global citizens and to understand the importance of communication in the world. We want our students to discover and appreciate the different cultures. Our students should enjoy learning languages and feel successful so that they become confident linguists. We want our students to have a passion for languages and see the relevance of learning a language.

Y11 MFL

Students build upon prior knowledge and skills acquired throughout KS3 and KS4 so far, delving further into topical vocabulary such as education and aspirations as they prepare to leave school. They also look at technology and social media to enable them to discuss topics relevant to them.

	Post-16 education and future plans	Technology, TV and Film	Revision
