MUSIC AT YARDLEYS

INTENT: The Music curriculum aims to enable all students, regardless of background, ability or additional needs, to flourish in order to become the very best version of themselves. Through engagement in immersive and meaningful Musical experiences inside and outside of school, they will build on their innate musicality within an environment that is committed to an inclusive, supportive environment for progress

Y7 MUSIC

Musical progression is taught across a range of instruments and within a wide range of contexts and traditions. Within each of these areas, Musical progress is anchored to three Conceptual Frameworks that are common in all topics, contexts and instrumental studies across Key Stage 3 and 4;

Conceptual Framework 1:- Show musical awareness to perform sympathetically with the ensemble. Conceptual Framework 2:- React musically and play accurately from a range of stimuli where appropriate. Conceptual Framework 3:- Understand and develop a strong sense of interconnected musical dimensions through performance, appraisal and composition.

It is in embedding these three Conceptual Frameworks of knowledge that empowers students to engage in and take responsibility for their musical progress, into being lifelong musical enthusiasts enriched with the skills and knowledge to continue making musical progress beyond the classroom.
