EQUALITY AND GDPR

All Yardleys' policies should be read in conjunction with our Equal Opportunities and GDPR policies.

Statement of principle – Equality

We will take all possible steps to ensure that this policy does not discriminate, either directly or indirectly against any individual or group of individuals. When compiling, monitoring and reviewing the policy we will consider the likely impact on the promotion of all aspects of equality as described in the Equality Act 2010.

Statement of principle – GDPR

Yardleys School recognises the serious issues that can occur as a consequence in failing to protect an individual adult's or child's personal and sensitive data. These include emotional distress, physical safety, child protection, loss of assets, fraud and other criminal acts.

Yardleys School is therefore committed to the protection of all personal and sensitive data for which it holds responsibility as the Data Controller and the handling of such data in line with the data protection principles and the Data Protection Act (DPA)/GDPR.

Basic Principles

The Yardleys Charter incorporates the key aims, values and ethos of the school and is applicable to all staff and pupils alike. It therefore informs all of our policies and procedures including the Provider Access Policy. A key part of the charter is the 3R's and the school values.

- **Be Ready** – The Provider Access Policy ensures that Yardleys School meets and exceeds the statutory requirements for careers guidance and ensures the Gatsby Benchmarks are worked towards and achieved in all areas where possible.
- **Be Respectful** – The Provider Access Policy is an integral part of the whole child approach at Yardleys School and ensures the development of a respectful behaviours and expectations for pupils when meeting external visitors.
- **Be Responsible** – The Provider Access Policy allows pupils to make informed choices and take responsibility for their post 16 pathway.

Aims and objectives of the Provider Access Policy

This policy sets out Yardleys School's arrangements for managing the access of providers to pupils within our school for the purpose of giving them information about the provider's education or training offer. This complies with the schools legal obligations under Section 42B of the Education Act 1997 ('The Baker Clause').

Management of Provider access requests

To ensure the school meets the mandatory requirements of section 42B of the Education Act 1997 ('The Baker Clause') providers are welcome to apply for access to the students through the following events:

- Assemblies and workshops
- Parent's Evenings
- Careers Fair

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature to be used within Careers Resource Bank within the school library. These resources are available to all students at lunch and break times.

A provider wishing to request access should contact:

Judith Price (Careers Co-ordinator)

Telephone: 0121 464 6821

Email: enquiry@yardleys.bham.sch.uk

All access requests are at the Head teacher's discretion and will be based around:

- the impact the event may have on the day to day running of the school
- the benefit of the proposed access to the students 'whole child' development
- ensuring a balanced unbiased program is delivered across the school.
