6th June 2023

Dear Parents/Carers

As you are aware the Year 11 GCSE examinations have already started. Obviously, this is a very important time for Year 11 and we will do everything we can to support them during the examination period. The staff and students have been working extremely hard in preparation for these examinations.

You and your child have already been provided with an individual examination timetable listing all of the examinations for which your child has been entered for. We have also attached **examination and booster information** that covers all of the boosters taking place prior to the examinations for the remaining examination weeks.

From Wednesday 7th June, Year 11 students will only have to attend boosters and examinations listed in the information enclosed.

It is important that students, parents and carers are clear about rules and expectations for boosters and examination. These are outlined below:

- Punctuality for examinations and boosters is essential. Morning exams start at 9.00 am and students need to be in school by 8.45 am. Afternoon exams start at 1.30 pm and students need to be at the exam venue by 1.20 pm.
- Students must arrive for boosters on time. Failure to do so will result in them not being allowed to the booster session.
- Students will be expected to wear full school uniform for both boosters and examinations.
- Students must bring the correct equipment required for the boosters and examinations they are sitting, (including a calculator for maths/science exams and any specialised maths equipment for maths exams)
- Mobile phones/watches and electronic devices are not allowed in school or the exam room. If a student is found with such devices in the exam, they risk disqualification.
- Students must follow the instructions given by the examination invigilator. Failure to do so may result in disqualification.
- Any student found cheating and/or distracting others will be disqualified from the examination and may not be allowed to complete their examinations at this centre.
- When dismissed, students must leave the premises once the examination/booster is over.

Year 11 students will have their celebration assembly on Friday 23rd June. The assembly will start at **9:00am** and all Year 11 students will be dismissed from school at **10:45am** approximately. **Year 11 students are expected to leave the premises and to go straight home.**

Year 11 will be able to collect GCSE results on Thursday 24th August. The results will be available from the Drama Studio between 9:30am-11am.

Please read through this letter with your child so they are fully aware of the expectations for the examination period. As ever, your support is greatly appreciated.

May I take this opportunity to wish your child good luck with the remaining examinations.

Yours faithfully

Neil Warner
Headteacher

Week: 05/06/2023 – 09/06/2023
