## Welcome to Matthew Boulton College – a vocational college with a range of specialist provision where students are at the heart of everything we do.

I'd like to take this opportunity to extend a warm welcome to you to Matthew Boulton College. Whether you are a school leaver looking to start your career journey or an adult returning to learning to start a new career, get a promotion at work or even start your own business, Matthew Boulton College will support you all the way.

You'll benefit from our partnerships with a range of local and national employers and our links with top universities. Our state-of-the-art facilities and passionate staff will help ensure that you realise your dreams. Matthew Boulton is also home to the Greater Birmingham Professional Services Academy and we are a Digital and Creative careers college where employers work with us to design the

curriculum, deliver expert lectures and also offer unique opportunities for work placements.

We aim to find the right place for everyone, with courses offered from beginner right up to degree-level. Our staff have the expertise and experience to ensure students leave the college with the skills necessary to take that next step in their chosen industry or progress to the next level in their education.

I look forward to you starting your journey at Matthew Boulton College.

**Jan Myatt**  
Vice Principal, Matthew Boulton College

## University level courses

**Think you've missed out? You don't need to go to university to get a degree! If you have a career in mind that is likely to require university-level study then we're here to help.**

We offer smaller class sizes, lower fees, first class teaching at colleges across the region and excellent links with universities including University of Derby, Birmingham City University, University of Wolverhampton and the University of Worcester.

We've a wide range of undergraduate and graduate programmes from BSc (Hons) and Higher National Diplomas (HNDs) to Higher National Certificates (HNCs) and Foundation Degrees, many of which can be studied full or part-time.

## Apply, interview and offer

You can now apply, have your interview and walk away with an offer at all of our Open Events. Ask a member of staff for more details and help with applying.

T&Cs – All offers are subject to a successful interview and applicants meeting entry criteria. Some courses require maths and English assessment and/or performance/auditions at interview and are therefore excluded from this offer
