**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period 1 September 2024 to 31 August 2025. The annual report serves the purposes of both a trustees' report and a directors' report under company law.

The academy trust operates an academy for pupils aged 11 to 16 serving a catchment area in Birmingham. It had a roll of 942 in the school census on October 2025.

**Structure, governance and management**

**a. Constitution**

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust. The trustees of Yardleys Academy are also the directors of the charitable company for the purposes of company law. The charitable company operates as Yardleys Academy.

Details of the trustees and members who served during the year and to the date these accounts are approved are included in the Reference and Administrative details on page 1.

**b. Members' liability**

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

**c. Trustees' indemnities**

In accordance with normal commercial practice the academy has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. The insurance provides cover up to £5,000,000 on any one claim.

**d. Method of recruitment and appointment or election of Trustees**

Under the academy's articles of association, the number of trustees shall be not less than three but (unless otherwise determined by ordinary resolution) shall not be subject to any maximum.

The academy trust shall have the following trustees:

- a) Up to 12 trustees appointed by the members
- b) A minimum of two parent trustees (elected by parents of registered pupils at Yardleys School)
- c) The academy trust may also have any Co-opted trustee, appointed by trustees who have not themselves been so appointed.

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**Structure, governance and management (continued)**

**e. Policies adopted for the induction and training of Trustees**

Newly appointed trustees are provided with a comprehensive induction, which includes a wide range of information on the school, its aims and values. This includes access to the secure online platform as a centralised area for trustees to access key documents. All new trustees are required to complete a skills audit to rate their experience, knowledge and skills in relation to several areas and to support with identifying future training needs for trust board. They will undergo an enhanced DBS check and Section 128 check.

New trustees are required to complete induction training and safeguarding training. The headteacher is the leader for professional development in school, and he ensures that trustees are provided with opportunities to receive training in accordance with their role, and the school's training plan. They also have access to the National Governance Association providing information, advice, guidance and professional development.

Trustees are actively invited to take part in school activities to allow them opportunities to experience the school environment.

**f. Organisational structure**

The board of trustees has established committees and appoints trustees to serve on each of the committees.

The committees for the period of the report were:

- Finance, Premises and Staffing
- Curriculum and Standards
- Audit and Risk
- Pay Committee

In addition, trustees volunteer to serve on ad-hoc committees which are convened as required e.g. to hear staff or pupil disciplinary cases and appeals.

The written terms of reference of the committees include the monitoring of the preparation and management of the academy's budget and implementation of the academy's financial management policies, including risk management.

The board of trustees are responsible for the strategic development of the academy, including adopting a school development plan, approving the annual budget, setting general policies, monitoring the finances of the academy using regular budget monitoring reports and making major decisions about the direction of the academy, capital expenditure and senior staff appointments.

The leadership team consists of the headteacher, three deputy headteachers, two assistant headteachers and the academy business and support manager. These managers control the academy at an executive level, implementing the policies laid down by trustees and reporting back to them. As a group, the leadership team is responsible for the authorisation of spending within agreed budgets and the appointment of staff, although senior staff appointments should include a trustee on the interview panel.

---

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**Structure, governance and management (continued)**

**g. Arrangements for setting pay and remuneration of key management personnel**

Trustees are unpaid, although travelling expenses are payable upon request.

The trust board ensures that decisions about levels of executive pay follow a robust process and are a reasonable reflection of the individual's role and responsibilities. Decisions are evidenced-based.

The headteacher's performance management process is conducted by two appointed trustees, supported by an external consultant.

**h. Trade union facility time**

**Relevant union officials**

Number of employees who were relevant union officials during the relevant period	2
Full-time equivalent employee number	2

Total pay bill	6,382,027
Percentage of total pay bill spent on facility time	0.30 %

**Paid trade union activities**

Time spent on paid trade union activities as a percentage of total paid facility time hours	50.00 %
---	---------

**i. Related parties and other connected charities and organisations**

Yardleys School has working links with a range of other organisations including local primary and secondary schools, local FE colleges and employers, local teaching school alliances, Birmingham and other local authorities, police panel, sharing panel and the local collegiate. These links are maintained in the interests of supporting good practice and information sharing in order to support the academy's object of advancement for the public benefit education in the United Kingdom.

---

**Objectives and activities**

**a. Objects and aims**

The strategic goal of Yardleys School is to provide an excellent level of education through a broad and balanced curriculum to all pupils in accordance with the funding agreement between the academy trust and the Department for Education.

**b. Objectives, strategies and activities**

At Yardleys School, we aim:

- To achieve academic excellence
- To educate the “whole child” so that they are ready for life
- To work collaboratively and ethically to provide education of the highest standard

In addition, the school aims to promote the following values in both staff and students:

- Curiosity
- Empathy
- Integrity
- Positivity
- Reflection
- Resilience

The strategies adopted for achieving these objectives are:

- The Yardleys Charter and the Yardleys Way outlining the ethos and values of the school for pupils and staff.
- A relentless focus on ensuring a robust culture of safeguarding is maintained.
- A curriculum which focuses on both academic excellence and personal development.
- Improving teaching and management through regular training and collaboration.
- Improving accountability and quality assurance systems at all levels of leadership and management, including governance.
- Well planned and robust business, administrative and support systems to ensure effective operations and sound financial management.
- A strong and supportive pastoral system including pupil safety, behaviour, attendance, attitudes, with a focus on inclusion.

**c. Public benefit**

In setting our objectives and planning our activities the trustees have carefully considered the Charity Commission's general guidance on public benefit.

Yardleys School is an equal opportunity employer, and strives to give full and fair consideration to all applicants for employment, training and promotions, irrespective of disability, gender, race, colour or sexual orientation.

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**Strategic report**

**Achievements and performance**

The academy is in its twelfth year of operation and continues to be significantly oversubscribed. In 2025, 1256 parents expressed a preference for one of the 190 places in year 7.

The school is highly focused on raising standards of pupil achievement and is successful at doing so.

The average attainment of students arriving in Year 7 is well below the national average. Despite this, pupils achieve above the national average.

Summer 2025 GCSE outcomes were highly favourable and compared well to previous years. This included results of English & Maths Grade 4+ (68%) and 5+ (46%) match-up. The school has also achieved well in terms of SEND and Pupil Premium. In most benchmarks, the school has exceeded national averages. Attainment 8 in 2025 was also matched the highest the school has ever achieved at 47.

The school was inspected under a graded inspection in March 2023. The school was graded good for the quality of education, with Outstanding judgements for behaviour & attitudes, personal development and leadership & management.

The key part of raising standards of achievement is to improve the quality of the curriculum and teaching. The school continues to focus on:-

- A well planned, coherent curriculum both for academic subjects and personal development.
- Whole school focus on disciplinary literacy and 'turn and talk' strategies to improve oracy.
- Increased reading and focus on writing skills
- Ensuring a prompt start to lessons and other measures to ensure a positive climate for learning
- Focus on recognition, praise and rewards
- Focus on factual knowledge – particularly through the online homework system
- Regular training in subject teams and through the appraisal (PDR) system
- Assessment and feedback, including the marking policy and regular practice tests and effective formative and summative assessment
- Improving accountability at all levels
- Behaviour and attendance, which both continue to improve. Attendance for all groups of students including persistent absence continue to remain well above the national average.

**a. Key performance indicators**

- Direct costs as a percentage of total costs were 69.4% (2024 - 69.4%)
- Support costs as a percentage of total costs were 30.6% (2024 - 30.6%)
- Total payroll costs as a percentage of recurring income were 71.1% (2024 - 72.8%)

**b. Going concern**

After making appropriate enquiries, the board of trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**Strategic report (continued)**

**Financial review**

The majority of the academy's income is obtained from the DfE via the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE during the year ending 31 August 2025 and the associated expenditure is shown in the statement of financial activities as restricted funds.

The academy also receives capital funding to address capital expenditure. This income is shown in the statement of financial activities as restricted income in the fixed asset fund.

The financial results of Yardleys School are detailed in the following pages. It is considered that the finances are sound and well established. The principal financial management policies adopted are laid down by the Finance Handbook for Academies published by the DfE and requirements as laid down by the Academy's Financial Handbook.

During the year ended 31 August 2025, total resources expended were £9,323,464 (2024 - £9,239,962) and the deficit of income over expenditure was £231,818 (2024 - £416,060) which included depreciation of £414,421 (2024 - £408,683).

**a. Reserves policy**

The trustees continually monitor the reserves of the charitable company. This process encompasses the nature of income and expenditure streams and the need to match commitments with income and determined appropriate level of reserves. Reserves are needed as a contingency to address any unforeseen issues, emergencies or extra costs that arise in-year. This is as well as earmarking funding for future development projects and known upcoming risks, to provide long-term financial sustainability.

Yardleys School retains a healthy level of reserves as a result of careful strategic financial planning and management.

The academy had total funds at 31 August 2025 of £15,397,901 (2024 - £14,885,719) which included £1,161,273 (2024 - £1,156,637) of restricted funds not available for general purposes of the academy trust, £1,205,963 (2024 - £1,205,963) of free reserves defined as unrestricted funds available for general purposes and £13,030,665 (2024 - £13,386,119) which can only be realised by the disposal of tangible fixed assets.

The balance on restricted general funds (excluding pension reserve) plus the balance on unrestricted funds was a surplus of £2,367,236 (2024 - £2,362,600).

The trustees regularly review the level of reserves and aim to maintain them at a minimum of three months' running costs.

**b. Investment policy**

Any surplus funds are invested with Lloyds Bank plc in a number of deposit accounts. The interest rates on the investments have been decreasing in recent months. The funds are re-invested on maturity to secure the best interest rates available with Lloyds Bank plc.

These investments are carried out in accordance with the powers vested in the board of trustees.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**c. Principal risks and uncertainties**

The trustees have considered the major risks and uncertainties facing the charitable company which include changes in legislation and regulations and cash flow management and have put in place procedures to deal with these matters. The major risks being uncertainty in relation to funding, recruitment and retention in education.

The school will continue to monitor expenditure relating to staffing costs and rising non-staffing costs. This is in the light of significant increases in the cost of living, high rates of inflation and global energy prices, which brings great uncertainty when budget planning. The school always seeks best value and is also investigating energy conservation methods.

Funding levels are not increasing in-line with the increasing costs that schools are experiencing. This is the third year that the school have been unable to set a balanced budget however through careful financial management, the school's forecasted financial position is improving.

Attention has also been focused on non-financial risks arising from fire, health and safety. These risks are managed by ensuring accreditation is up to date, having robust policies in place, and regular awareness training for staff working in these operational areas. The academy's risk register is updated annually and shared with trustees each new academic year and during the year.

**Fundraising**

The school does not currently engage in any fundraising.

**Plans for future periods**

The school aims to maintain and improve on its good status and high academic and pastoral standards through:

- Further improving leadership and management at all levels.
- Most efficient utilisation of staffing resources.
- Increasing the capacity of leaders to continue to support other schools and development new partnerships.
- Succession planning to ensure leadership and governance continues to develop.
- Further improving pastoral care and personal development.
- Further improving curriculum and academic standards.

**Disclosure of information to auditors**

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Trustees' Report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 17 December 2025 and signed on its behalf by:

  
.....  
**Ms Jean Helme**  
Chair of Trustees

  
.....  
**Mr Gurpreet Basra**  
Accounting Officer

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**GOVERNANCE STATEMENT**

---

**Scope of responsibility**

As trustees, we acknowledge we have overall responsibility for ensuring that Yardleys School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As trustees, we have reviewed and taken account of the guidance in DfE's Governance Guide for Academy Trusts.

The Board of Trustees has delegated the day-to-day responsibility to the Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Yardleys School and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

**Governance**

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 4 times during the year.

Attendance during the year at meetings of the Board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
Mr Gurpreet Basra , Accounting Officer	4	4
Ms Kibrest Suzie Bennett	1	4
Mr Tony Day	2	4
Ms Joanne Killarney (appointed 03.12.2024)	2	3
Mr Benn Gray (staff)	3	4
Mrs Jean Helme (chair)	4	4
Mr Nadeem Khan	1	4
Mr Peter Lee	3	4
Mr Matthew Minshall (staff)	1	4
Ms Saiqa Rafiq	2	4

The full trust board maintained oversight through the three committees, which met 12 times in total and reported back to the full trust board.

The board has used the NGA model skills audit tool and the results have been analysed to identify skills gaps and areas of training need.

The board is presented with a wide range of reports on all areas of school management, which are backed up whenever possible with externally derived data or comparisons. For example, exams (internal & external data); ISDR government academic data reports, OFSTED report (March 2023), SIP reports, attendance and exclusion statistics. Link governor visits to safeguarding, careers and SEND take place on a regular basis and feedback is shared with the trust board.

Financial information is reinforced through internal and external audit reports. The school employs an external consultant who provides an annual audit of health and safety procedures and policies, as well as an annual fire risk assessment. There is also an external audit of the school's Single Central Record.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**GOVERNANCE STATEMENT (CONTINUED)**

---

**Governance (continued)**

**Conflicts of interest**

All trustees are required to complete a declaration of business & personal interests form at the start of the academic year, these are reviewed for any changes throughout the year, compiled on a register, which is published on the school website.

**Governance review**

A review of governance took place, there were many strengths noted including robust governance structures, with the board being confident in its role and the strong relationships between trustees and between the board and the senior team, with strong evidence of challenge, commented upon. Other strengths were of the well-developed vision and clear strategic priorities; alongside a clear understanding of the challenges facing the school and being able to actively discuss these.

The finance, premises and staffing committee is a sub-committee of the main Board of Trustees. Its purpose is to:

- assist the decision-making of the trust board, by enabling more detailed consideration to be given to the best means of fulfilling the board's responsibility to ensure sound management of the academy's finances, resources, including proper planning, monitoring and probity.
- to receive regular reports on premises issues including health and safety and the monitoring of the PFI contract and advise the trust board on priorities for development.
- to oversee and review the school's staffing structure, ensuring compliance with practices and legislations relating to personnel.

The committee has met 6 times during the 2024/2025 academic year. Details of trustee attendance at the meetings is shown below:

Trustee	Meetings attended	Out of a possible
Mr Gurpreet Basra	6	6
Mr Benn Gray	6	6
Mr Adill Hadi	0	0
Ms Jean Helme	6	6
Mr Peter Lee	5	6
Mr Nadeem Khan	5	6
Mr Matthew Minshall	2	6

**Audit and Risk Committee**

The Audit & Risk Committee is established by the trust board to advise them on matters relating to the Trust's internal and external audit arrangements, to aid the board's responsibility to ensure sound management of the trust's finances and resources and to ensure the effectiveness of the trust's risk management in accordance with the Academy Trust Handbook as published annually by the DfE.

The aims of the 2 annual independent financial reviews are to protect the Academy's assets; to identify and manage the risk of conflict of interest, loss, waste, bribery, theft or fraud; to ensure that financial reporting is robust and of sufficient quality; and to ensure that the Trustees comply with laws and regulations relating to finance.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**GOVERNANCE STATEMENT (CONTINUED)**

---

**Governance (continued)**

Attendance during the year at meetings was as follows:

Trustee	Meetings attended	Out of a possible
Ms K S Bennett	2	3
Ms Jean Helme	3	3
Mr Nadeem Khan	1	3
Mr Peter Lee	3	3

**Review of value for money**

As accounting officer, the Headteacher has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Efficient utilisation of teaching and support staff to meet school aims.
- Constantly reviewing both the quality and quantity of curriculum resources, such as training, online resources and staff roles.
- All expiring contracts are appraised and renegotiated where necessary to ensure that value for money is achieved. The school ensures that competitive tendering procedures are adhered to when entering into new contracts which exceed the tendering value.
- Targeted support is provided for students, through the SEND department, pastoral systems and external agencies.
- Energy conservation measures are being explored in conjunction with the Eco committee and PFI partners including the installation of solar panels.
- Feltons chartered accountants and business advisers conduct an annual audit at year-end prior to the compilation of the year-end annual accounts, which are then presented to the trust board for approval.
- The school engages with other educational providers, teaching school alliances and subscribes to the Birmingham Association of School Business Managers, National Association of School Business Managers, and the National Governance Association. These groups provide a valuable tool for accessing and sharing new ideas with colleagues and can show how-to drive-up standards.

**The purpose of the system of internal control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Yardleys School for the year 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and financial statements.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**GOVERNANCE STATEMENT (CONTINUED)**

---

**Capacity to handle risk**

The Board of Trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period from 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

**The risk and control framework**

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- regular reviews by the Finance, Premises and Staffing Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The Board of Trustees has decided to employ an internal reviewer to undertake an independent financial review twice annually.

Their role includes giving advice on financial matters and performing a range of checks on the academy trust's financial and non-financial systems. In particular the checks carried out in the current period included:

- testing of payroll systems
- testing of purchase systems
- testing of control accounts / bank reconciliations
- review of policies and procedures

On a bi-annual basis, the internal reviewer reports to the Board of Trustees through the audit and risk committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities and prepares an annual summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

**Review of effectiveness**

As accounting officer, Gurpreet Basra (the Headteacher) has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal reviewer;
- the school resource management self-assessment too
- the work of the managers within the academy trust who have responsibility for the development and maintenance of the internal control framework.
- the work of the external auditor;

The finance, premises and staffing committee has received evidence from all of the above and a plan to address weaknesses and ensure continuous improvement of the system is in place.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**GOVERNANCE STATEMENT (CONTINUED)**

---

**Conclusion**

Based on the advice of the audit and risk committee and the accounting officer, the board of trustees is of the opinion that the academy trust has an adequate and effective framework for governance, risk management and control.

Approved by order of the members of the Board of Trustees on 17 December 2025 and signed on their behalf by:

  
.....  
**Ms Jean Helme**  
Chair of Trustees

  
.....  
**Mr Gurpreet Basra**  
Accounting Officer

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE**

---

As accounting officer of Yardleys School, I confirm that I have had due regard to the framework of authorities governing regularity, propriety and compliance, including the trust's funding agreement with DfE, and the requirements of the Academy Trust Handbook, including responsibilities for estates safety and management. I have also considered my responsibility to notify the academy trust board of trustees and DfE of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management.

I confirm that I, and the board of trustees are able to identify any material irregular or improper use of all funds by the multi academy trust, or material non-compliance with the framework of authorities.

I confirm that no instances of material irregularity, impropriety or non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and DfE.

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Department for Education, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board of Trustees on 17 December 2025 and signed on its behalf by:

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF  
YARDLEYS SCHOOL**

---

**Opinion**

We have audited the financial statements of Yardleys School (the 'academy') for the year ended 31 August 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025 issued by the Department for Education.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2025 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025 issued by the Department for Education.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF  
YARDLEYS SCHOOL (CONTINUED)**

---

If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the academy or to cease operations, or have no realistic alternative but to do so.

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF  
YARDLEYS SCHOOL (CONTINUED)**

---

expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We reviewed the academy's control and risk management procedures and planned our work based on our assessment of those controls and procedures.
- This review included an assessment of the risk of material misstatement due to errors, fraud and management override of controls for all material areas in the financial statements;
- We made enquiries of management and the academy's lawyers regarding any actual or potential litigation and/or claims;
- Financial statements disclosures were reviewed and checked for compliance with applicable laws;
- Detailed testing was conducted on balances and transactions including unusual items and those of individual significance to the financial statements;
- Data analytics were used in order to identify unusual or significant trends;
- Communications with management and those charged with governance regarding relevant matters was undertaken throughout the audit and on completion.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the academy's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the academy's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the academy to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Use of our report**

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO YARDLEYS SCHOOL AND THE SECRETARY OF STATE FOR EDUCATION**

---

In accordance with the terms of our engagement letter dated 22 March 2021 and further to the requirements of the Department for Education (DfE) as included in the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts 2024 to 2025, we have carried out an engagement to obtain limited assurance about whether anything has come to our attention that would suggest, in all material respects, the expenditure disbursed and income received by Yardleys School during the year 1 September 2024 to 31 August 2025 have not been applied to the purposes identified by Parliament and that the financial transactions do not conform to the authorities which govern them.

This report is made solely to Yardleys School and the Secretary of State for Education in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Yardleys School and the Secretary of State for Education those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Yardleys School and the Secretary of State for Education, for our work, for this report, or for the conclusion we have formed.

**Respective responsibilities of Yardleys School's accounting officer and the reporting accountant**

The accounting officer is responsible, under the requirements of Yardleys School's funding agreement with the Secretary of State for Education dated 31 July 2013 and the Academy Trust Handbook, extant from 1 September 2024, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts 2024 to 2025. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2024 to 31 August 2025 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

**Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by DfE. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

---

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO YARDLEYS  
SCHOOL AND THE SECRETARY OF STATE FOR EDUCATION (CONTINUED)**

---

The work undertaken to draw our conclusion includes :

- Consideration of the applicable legislation and the academy trust's funding agreement;
- Review and evaluation of the academy trust's system of internal controls;
- Examination and assessment of the Accounting Officer's statement on Regularity, Propriety and Compliance;
- Examination, on a test basis, of third party evidence supporting income and expenditure;
- Review of exceptional and unusual items.

**Conclusion**

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2024 to 31 August 2025 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

**(A Company Limited by Guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**1. Accounting policies**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

**1.1 Basis of preparation of financial statements**

The financial statements of the academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2024 to 2025 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

**1.2 Going concern**

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.3 Income**

All incoming resources are recognised when the academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**1. Accounting policies (continued)**

**1.3 Income (continued)**

- **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the academy has provided the goods or services.

- **Donated goods, facilities and services**

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in 'Stocks' and 'Income from Other Trading Activities'. Upon sale, the value of the stock is charged against 'Income from Other Trading Activities' and the proceeds are recognised as 'Income from Other Trading Activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from Other Trading Activities'.

- **Donated fixed assets (excluding transfers on conversion or into the academy)**

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as 'Income from Donations and Capital Grants' and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy's accounting policies.

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Charitable activities**

These are costs incurred on the academy's educational operations, including support costs and costs relating to the governance of the academy apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

**1.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the academy; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**1. Accounting policies (continued)**

**1.6 Tangible fixed assets**

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset over its expected useful life, as follows:

Depreciation is provided on the following basis:

Long-term leasehold property	-	2% on a straight line basis
Furniture and equipment	-	10% on a straight line basis
Computer equipment	-	33% on a straight line basis
Motor vehicles	-	25% on a reducing balance basis

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use and reclassified to freehold or leasehold land and buildings.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

**1.7 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.8 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.9 Liabilities**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**1. Accounting policies (continued)**

**1.10 Financial instruments**

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 14. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 15 and 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

**1.11 Operating leases**

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

**1.12 Pensions**

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**1. Accounting policies (continued)**

**1.13 Fund accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

**1.14 PFI agreement**

The Academy occupies buildings which are owned by Birmingham City Council and utilised by the Academy under a PFI agreement between Council and the PFI contractor. The Academy pays revenue contributions in respect of facilities management. The contract will expire in 2032. The Academy has the rights and obligations of ownership in respect of these assets which are therefore included on the Academy's balance sheet as at the date of conversion. Assets other than buildings are accounted for at fair value with the corresponding liability included in creditors.

**2. Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2022 has been used by the actuary in valuing the pensions liability at 31 August 2025. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

In the band £130,001 - £140,000	-	1
	<u><u>-</u></u>	<u><u>1</u></u>

**YARDLEYS SCHOOL**  
(A Company Limited by Guarantee)

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2025**

**10. Staff (continued)**

**d. Key management personnel**

The key management personnel of the academy comprise the Trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy was £971,630 (2024 - £1,043,280).

**11. Trustees' remuneration and expenses**

One or more Trustees has been paid remuneration or has received other benefits from an employment with the academy. The principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment. The value of Trustees' remuneration and other benefits was as follows:

		<b>2025</b>	<b>2024</b>
		<b>£'000</b>	<b>£'000</b>
Mr Neil Warner, Accounting Officer (resigned 8 April 2024)	Remuneration	nil	75 - 80
	Pension contributions paid	nil	15 - 20
Mr Benn Gray	Remuneration	<b>40 - 45</b>	40 - 45
	Pension contributions paid	<b>10 - 15</b>	10 - 15
Mr Timothy Gordon (resigned 25 November 2023)	Remuneration	nil	5 - 10
	Pension contributions paid	nil	0 - 5
Mr Edmund Lawrence (resigned 25 November 2023)	Remuneration	nil	10 - 15
	Pension contributions paid	nil	0 - 5
Mr Gurpreet Basra, Accounting Officer	Remuneration	<b>125 - 130</b>	35 - 40
	Pension contributions paid	<b>35 - 40</b>	10 - 15
Mr Matthew Minshall	Remuneration	<b>60 - 65</b>	35 - 40
	Pension contributions paid	<b>15 - 20</b>	5 - 10

During the year ended 31 August 2025, expenses totalling £nil (2024 - £147) were reimbursed or paid directly to no Trustees (2024 - 1).

**12. Trustees' and Officers' insurance**

In accordance with normal commercial practice, the academy has purchased insurance to protect Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. The insurance provides cover up to £5,000,000 on any one claim and the cost of this insurance is included in the total insurance cost.

**18. Statement of funds (continued)**

The specific purposes for which the funds are to be applied are as follows:

**Restricted general funds:**

These comprise all restricted funds other than restricted fixed asset funds and include grants from The Department for Education and Birmingham City Council.

Under the funding agreement with the Secretary of State, the academy was not subject to a limit on the amount of GAG it could carry forward at 31 August 2024.

**Unrestricted funds:**

These comprise resources that may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

**Restricted fixed asset funds:**

These comprise resources which are to be applied to specific capital purposes imposed by The Department for Education and Birmingham City Council where the asset acquired or created is held for a specific purpose.

	<u>2,290,733</u>	<u>283,681</u>	<u>2,574,414</u>

**24. Pension commitments**

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by West Midland Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2020 and of the LGPS 31 March 2022.

Contributions amounting to £142,000 were payable to the schemes at 31 August 2025 and are included within creditors.

**Teachers' Pension Scheme**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

**Valuation of the Teachers' Pension Scheme**

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to ensure scheme costs are recognised and managed appropriately and the review specifies the level of future contributions.

Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 27 October 2023, with the SCAPE rate, set by HMT, applying a notional investment return based on 1.7% above the rate of CPI. The key elements of the valuation outcome are:

- Employer contribution rates set at 28.68% of pensionable pay (including a 0.08% administration levy). This is an increase of 5% in employer contributions and the cost control result is such that no change in member benefits is needed.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**24. Pension commitments (continued)**

- Total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million, giving a notional past service deficit of £39,800 million.

The result of this valuation was implemented on 1 April 2024. The next valuation result is due to be implemented from 1 April 2027.

The employer's pension costs paid to TPS in the year amounted to £890,000 (2024 - £834,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust is unable to identify its share of the underlying assets and liabilities of the plan. Accordingly, the academy trust has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above, the information available on the scheme.

**Local Government Pension Scheme**

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2025 was £474,000 (2024 - £449,000), of which employer's contributions totalled £392,000 (2024 - £372,000) and employees' contributions totalled £82,000 (2024 - £77,000). The agreed contribution rates for future years are 30.6 per cent for employers and between 5.5 per cent and 8.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy trust closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

The trustees have agreed that the trust will make additional contributions in addition to normal funding levels over the next 23 years.

**Principal actuarial assumptions**

	<b>2025</b>	<b>2024</b>
	<b>%</b>	<b>%</b>
Rate of increase in salaries	<b>3.70</b>	3.65
Rate of increase for pensions in payment/inflation	<b>2.70</b>	2.65
Discount rate for scheme liabilities	<b>6.10</b>	5.00
Inflation assumption (CPI)	<b>2.70</b>	2.65
Commutation of pensions to lump sums	<b>50.00</b>	50.00

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

---

**YARDLEYS SCHOOL**  
**(A Company Limited by Guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2025**

---

**24. Pension commitments (continued)**

The fair value of the pension plan at 31 August 2025 is in excess of the present value of the defined benefit obligations at that date, giving rise to a net surplus of £434,000 (2024 - £863,000 liability). This surplus is recognised in the financial statements only to the extent that the academy trust can recover this surplus, either through a reduction in future contributions or through a refund to the academy trust.

The academy trust is not able to determine that future contributions will be reduced and it is not possible for the academy trust to receive a refund from the scheme as the specific conditions for this have not been met. Therefore, an asset ceiling is in place such that the surplus of £434,000 (2024 - £nil) is not recognised as an asset at 31 August 2025 and the net asset/liability recognised in the financial statements is capped at £nil.

**25. Operating lease commitments**

At 31 August 2025 the academy had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2025 £	2024 £
Not later than 1 year	1,189,000	1,516,000
Later than 1 year and not later than 5 years	4,726,000	6,049,000
Later than 5 years	2,262,000	4,397,000
	<u>8,177,000</u>	<u>11,962,000</u>

**26. Members' liability**

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

**27. Related party transactions**

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest.

No related party transactions took place in the period of account, other than certain trustees' remuneration and expenses already disclosed in note 11.
