Dear Parent/Carer,

Attitude to Learning Day (Thursday 22nd October 2026 8:50am-5:15pm) - Online Appointment Booking

I would like to invite you and your child to attend an online appointment with your child's form tutor (or other designated member of staff). This is an important appointment and provides an opportunity to discuss how your child has settled into their studies this academic year.

This year, the event will operate differently from previous years, with all appointments being booked and conducted through the Edulink app. Most parents/carers already use Edulink; however, for those who do not, guidance on downloading and accessing the app is enclosed. Your log in details will be resent for the Edulink App. Instructions on booking your appointment are also included with this letter. Appointments should be booked as soon as possible to ensure the widest choice of available times.

The appointment will be 13 minutes in duration, and you are encouraged to have your child with you during the appointment. You will receive a report pack for your child prior to Thursday 22nd October. Please be ready shortly before the start time of your appointment.

Please note that you will need to have access to the internet (via a computer, phone or tablet device) to both book your appointment and participate in the remote video session.

Please contact me if you require any support with booking your appointment.

Yours sincerely,

E Lawrence
Assistant Headteacher – Whole Child
