

Yardleys Personal Development Mission Statement

The intent of the Personal Development Curriculum is to ensure we educate the ‘whole child’ at Yardleys School. By building a robust Personal Development Curriculum the school will enable pupils to succeed in all aspects of their future and prepare them for life in ways the students may currently be unable to recognise. The curriculum is designed to develop an understanding of the ever changing world in which we live, develop the skills necessary to take an active role in their community and manage their life effectively in the future.

The Personal Development Curriculum at is implemented throughout Yardleys School via:

- Weekly themed assemblies
- Weekly Personal Development sessions delivered by form tutors
- Personal Development sessions delivered by external agencies (including the West Midlands Police and Loudmouth Theatre)
- Weekly Enrichment sessions
- Participation in school clubs
- Undertaking student leadership roles.
