EQUALITY AND GDPR

All Yardleys' policies should be read in conjunction with our Equal Opportunities and GDPR policies.

Statement of principle - Equality

We will take all possible steps to ensure that this policy does not discriminate, either directly or indirectly against any individual or group of individuals. When compiling, monitoring and reviewing the policy we will consider the likely impact on the promotion of all aspects of equality as described in the Equality Act 2010.

Statement of principle - GDPR

Yardleys School recognises the serious issues that can occur as a consequence in failing to protect an individual adult's or child's personal and sensitive data. These include emotional distress, physical safety, child protection, loss of assets, fraud and other criminal acts.

Yardleys School is therefore committed to the protection of all personal and sensitive data for which it holds responsibility as the Data Controller and the handling of such data in line with the data protection principles and the Data Protection Act (DPA)/GDPR.

Behaviour Policy – Overview

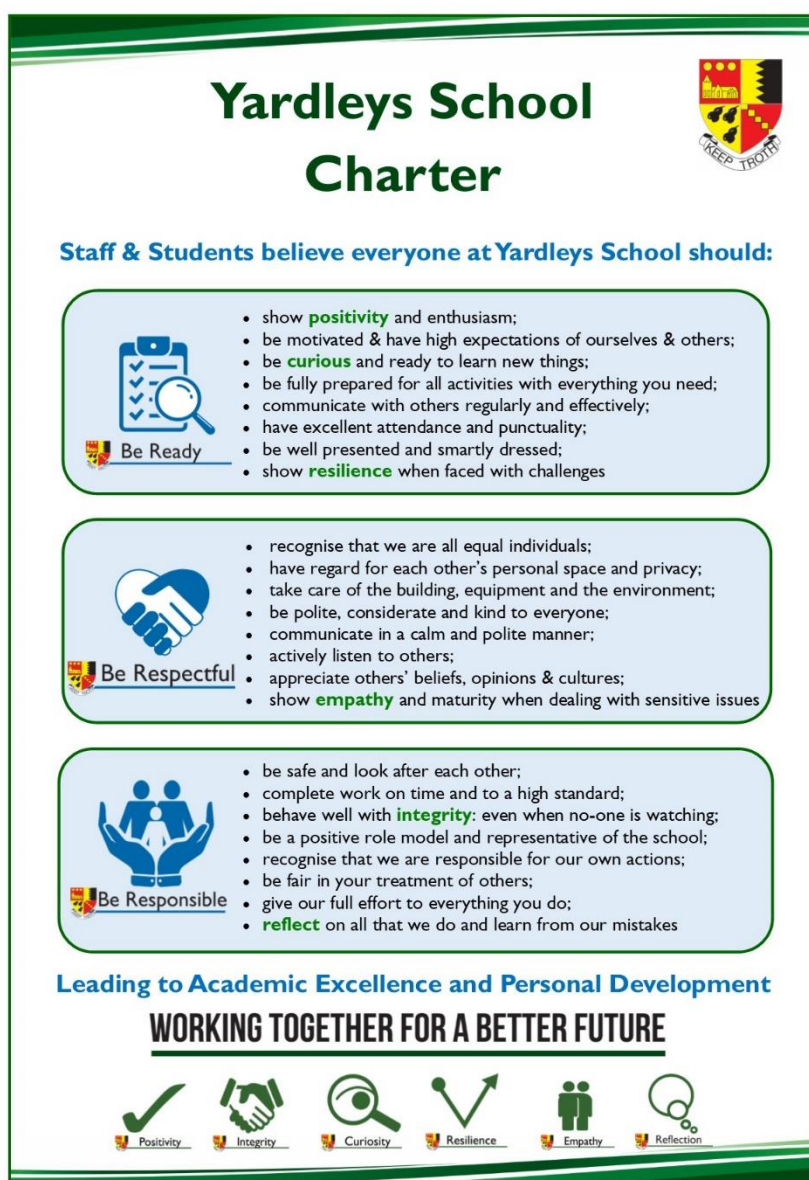

Aims/Vision

To create a **safe and supportive learning environment** in which all members of the school are **working together** to develop their maximum potential. Our behaviour policy is designed to incorporate our **vision** and **values**.

Our **vision** for the school is:

1. To achieve academic excellence
2. To educate the 'whole child' so they are ready for life
3. To establish a positive, collaborative and ethical ethos

We aim to uphold the Yardleys Charter.

The poster is titled 'Yardleys School Charter' and features the school crest in the top right corner. Below the title, it states 'Staff & Students believe everyone at Yardleys School should:'. There are three main sections, each with an icon and a list of expectations:

- Be Ready:** Represented by a clipboard icon. Expectations include showing positivity, being motivated, being curious, being fully prepared, communicating regularly, having excellent attendance, being well-presented, and showing resilience.
- Be Respectful:** Represented by a handshake icon. Expectations include recognizing equality, respecting personal space, taking care of the building, being polite, communicating calmly, listening to others, appreciating differences, and showing empathy.
- Be Responsible:** Represented by an icon of two people holding hands. Expectations include being safe, completing work on time, behaving with integrity, being a positive role model, recognizing responsibility, being fair, giving full effort, and reflecting on mistakes.

At the bottom, it says 'Leading to Academic Excellence and Personal Development' and 'WORKING TOGETHER FOR A BETTER FUTURE'. A row of icons at the very bottom represents the values: Positivity (checkmark), Integrity (handshake), Curiosity (magnifying glass), Resilience (upward arrow), Empathy (two people), and Reflection (globe).

Behaviour Policy – Climate for Learning

Why do we need to establish a ‘climate for learning’?

We need a suitable climate for learning in order to ensure that learning happens and that no time is wasted in lessons. This is not a series of rules for their own sake. Rather they are the high standards and character traits that underpin success in life.

How will we establish a climate for learning?

Working together we need to push that consistency into the classroom, every lesson, to establish the right climate for learning. This will be achieved by following the same consistent routines and use of common language that needs to be established and implemented by all staff in every lesson.

Behaviour Policy – Climate for Learning Expectations

Below is a summary of the key features and expectations for every member of staff to follow and implement.

Expectations in the classroom - before and at the start of the lesson

- **Punctuality** (within 3 minutes of the bell): students who arrive late to lesson will receive a detention (unless they have a note).
- **No queue/silent entry into the classroom** (if member of staff is at the door/classroom): students should be met at the door and go straight in, sit down, take out equipment and attempt the DO NOW in silence. This should be an activity that the students can get on with independently and in silence.
- **Seating plan** as decided by the teacher but should be boy-girl where possible.
- **Register:** must be taken whilst the students complete the DO NOW activity. The register should be 'called out' and a head count should also be taken.

Expectations throughout the lesson: common language and instructions

- **Clear learning points:** to focus on knowledge that is going to be revisited/new knowledge to be learnt.
- **Instruct students clearly** to start or continue or stop with their work. Teachers must insist on silence when required.
- **“THIS IS YOUR WARNING”:** This will be the only warning opportunity provided to students and followed by DETENTION if the behaviour has not improved.

Expectations at the end of the lesson

- Main part of the lesson to **conclude at least 2 minutes** before the end of the lesson allowing time for an orderly end to the lesson.
- Students to **stand behind chairs** at the end of the lesson.
- At the bell students to be **dismissed a row/group at a time** in silence by the member of staff standing at the door.

Corridor and Lesson Changeover

- **All staff at classroom doors** during lesson changeover/start of lesson to meet and greet and help with corridor supervision.
- Students reminded to **keep left**.
- Students to **use the nearest staircase exit**.
- **Senior staff and middle leaders (SLT, HoYs, HoFs & HoDs) to be responsible** for corridor monitoring.
- Assembly or mid lesson movement: **Students should be escorted in silence and in single file** to another venue, assembly, early lunch, fire drill etc. Member of staff must remain with class at all times. No waiting in the atrium before assembly and the forms go straight in.
- **Teaching/Tutor staff responsibility** to ensure that their class comply with the expectations.
- **Poor behaviour in corridors/students not following school rules** during unstructured time is **challenged by all**.

Behaviour Policy – Rewards and Praise

Our policy is **grounded in a reward based approach**:

- Success is celebrated as often as possible
- Every member of staff is expected to praise **at least twice** as frequently as to reprimand, in every lesson
- We will give **every** child a chance of being rewarded whatever their ability or strengths
- children are given the opportunity to take part in extra-curricular activities (enrichment period)

Students whose effort and behaviour are good are rewarded and the methods for doing this are outlined below. However, all staff, faculties and year groups are encouraged to use praise and other rewards as often as possible.

The following methods are by no means an exhaustive list:

- verbal praise from staff
- Positive Points
- feedback to parents during Progress Review and Parent Evenings
- display of work
- postcard home
- telephone call/text home
- assembly mention & certificates
- visit to Headteacher or other member of staff
- faculty certificates for achievement and effort
- Personal Award Certificates, awarded for helpfulness e.g. counselling others, breaking up or stopping a fight, reporting bullying/extortion, welcoming visitors to the school, helping with parents evenings/open evenings, taking part in plays/concerts
- Celebration Assemblies – where academic and pastoral achievements are celebrated and certificates awarded. Badges for the high achievers.
- Prize Giving Evening – At the end of the academic year where parents are invited to celebrate the high level of achievement throughout the academic year.
- Responsibility badges given for posts of responsibility
- Headteacher's commendation

Behaviour Policy – Sanctions

Consequences

Yardleys does its best to support all students and ensure that they are happy and feel positive about their work and the school. However, sometimes the normal school behaviour strategies do not lead to the necessary change with the minority of anti-social students. When this happens we will exclude a student to ensure that the majority can continue to learn and benefit from Yardleys.

Detention System

From September 2019 the school will operate a regular detention system. Students will be provided with a detention slip by a member of staff that will highlight the reason(s) and date of the detention.

- **Students will receive one verbal warning from the member of staff (for low level disruption) followed by a detention if the behaviour has not improved.**
- Please note that **automatic detentions can be given for behaviour reasons** - being late to school, incorrect uniform, low level disruption, poor behaviour etc. or **faculty reasons** - lack of work, failure to complete homework/coursework etc.
- **The detention will last for 30 minutes and behaviour detentions will be served on the following day (Monday, Tuesday & Thursday).**
- **Students who arrive late to school (8:45 am – 9:00 am) will receive an additional 30 minute detention at lunchtime as well as a detention after school the following day.**
- **If they arrive between 9:00am – 9:30 am they will receive a lunchtime detention and a 1 hour detention on the same day.** If your child arrives after 9:30 am you may receive a phone call home and your child may be placed in Isolation. They will also complete an hour detention on the day.
- **Students who receive more than one detention on a single day will serve a 1 hour detention.**
- **Homework detentions run on Fridays** with the length determined by how much homework has been missed or is incomplete. This will range from 30 minutes; 60 minutes to 90 minutes.
- **Students whose behaviour during a school week is a cause for concern will be entered by the Heads of Year for an additional longer detention which will take place every Thursday (3:00pm-4:30pm).**
- **It is the responsibility of the student to inform parents that they have received a detention.**
- Failure to attend a detention may result in the student being placed in Isolation or on the consequence ladder.

Serious incidents will be referred to Heads of Year or SLT and may result in students being placed on the consequence ladder leading to internal or external exclusions.

The Consequence Ladder

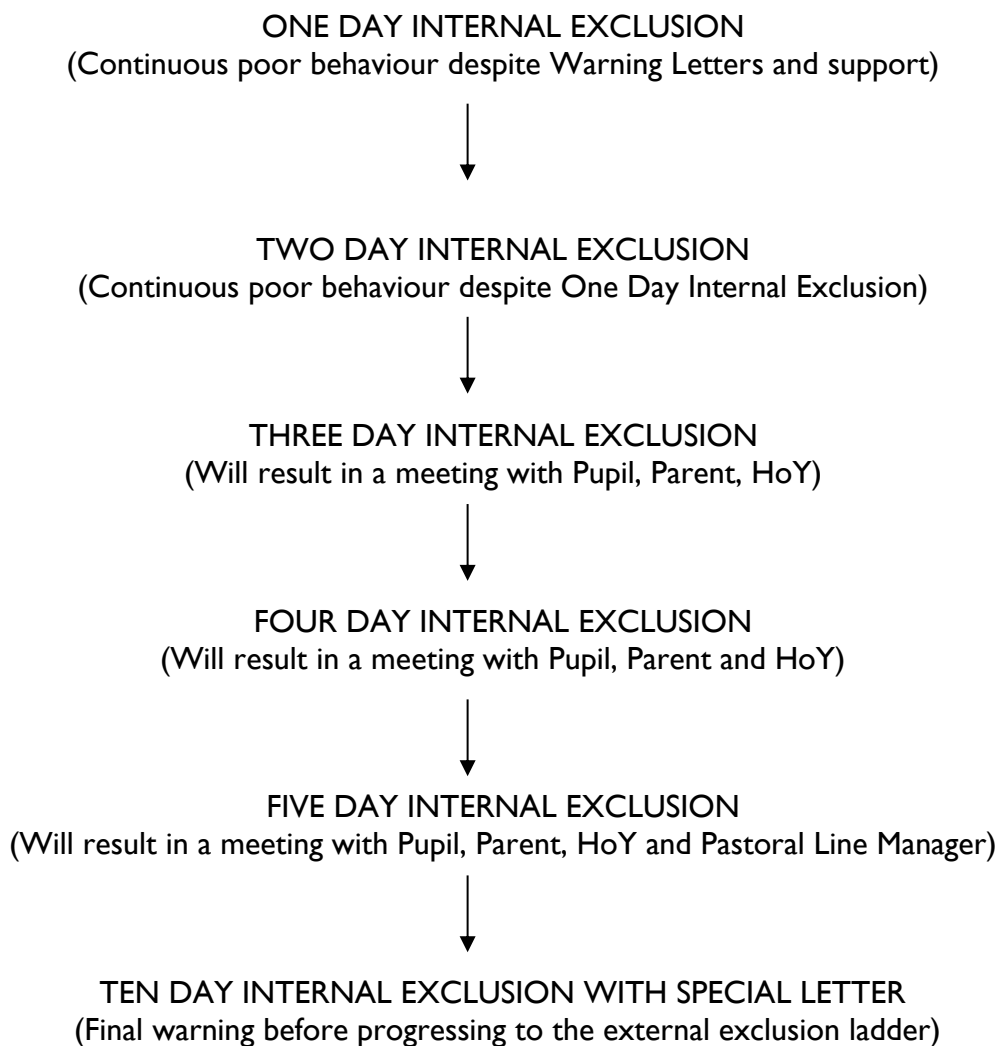

Students who behave in an unacceptable way will be dealt with by reference to the consequence ladder. The consequence ladder progresses in clear steps which could lead to a permanent exclusion. The consequence ladder is to last throughout a student's school life. Steps can be repeated if the student has shown improvement in behaviour over a suitable period of time. **Please note for serious/repeat incidents the consequence ladder steps can be increased (please refer to the extreme clause section).**

- There are a number of steps and interventions that are **taken before** pupils are placed on the consequence ladder and at each step of the consequence ladder.
- Meetings, letters and phone calls from HoY to parents/guardians to discuss concerns such as smoking, truanting, leaving school premises without permission, graffiti and damage to school building, litter, low level disruption, punctuality to lessons, homework concerns, chewing etc.
- Pupils will also receive **support** such as:
- On Report (Reports for attendance, general behaviour, punctuality, departmental) to improve in areas mentioned above. Reports will be monitored and tracked by Form Tutors/ Subject Staff/HoY/SLT. Individual Action Plans to address and support behaviour may be put into action and discussed with parents.
- They may receive support from the school such as the SEND team and outside agencies. A managed move may also be considered.
- However for pupils who behave in a way which is not acceptable (despite the support above) there needs to be a step by step process as highlighted by the consequence ladder.

Consequence Ladder (INTERNAL EXCLUSION)

Internal Exclusions (1, 2, 3, 4, 5, 10 Days)

- Only the SLT and HoY (with consultation with the SENDCO) can authorise an internal exclusion.
- Internal Exclusions will be served in the Isolation Room and will result in an automatic 1hr detention each day for the time that needs to be served.
- Steps on the ladder can be repeated if the school feels behaviour has improved over a period of time.
- Parents will be informed about an internal exclusion through a letter and be contacted by the student's HoY or Isolation Manager.

Consequence Ladder (EXTERNAL EXCLUSION)

External Exclusion (1-5 Days)

For serious or repeated offences or any behaviour that is deemed, in the judgment of the Headteacher, to undermine the authority of the member of staff will warrant an external exclusion. **This will normally be for anything between 1 to 5 Days but in exceptional circumstances could be up to 45 Days in any one school year.** Work will be provided for students on an external exclusion. Parents/Carers will be expected to attend a meeting to discuss the exclusion and the re-admittance of the student back into school.

Extreme Clause

- The Headteacher will invoke an extreme clause where staff or students safety is put at risk or the student's anti-social behaviour is so extreme that the school has no other alternative. This includes anti-social behaviour outside of school.
- In these circumstances the Headteacher will decide on the appropriate punishment, regardless of where the student is on the consequence ladder.
- A physical assault or threat of physical assault on a member of staff will not be tolerated and will lead to a lengthy or permanent exclusion from school.

Permanent Exclusion

The Headteacher may decide that a permanent exclusion is necessary because **(regardless of where the student is on the consequence ladder):**

- All other steps to encourage the student to obey the school rules have failed or
- Allowing the student to remain in the school would be seriously detrimental to the education or welfare of others in the school
- Persistent and defiant behaviour
- Doing anything that may bring the school into disrepute including behaviour outside of school
- Serious actual or threatened violence against a student or member of staff
- Serious on-line, racist or homophobic bullying
- Sexual misconduct
- Supply of an illegal drug, being under the influence whilst at school or on a trip, or the severe examples of misuse of an illegal drug
- Carrying (or involvement) an offensive weapon

Any criminal offence will be reported to the police.

In reaching the decision the Headteacher will also take into account the previous disciplinary record.

Remember the more serious consequences and sanctions only apply for the minority of pupils. The majority of pupils want to learn and succeed.

Use of Reasonable Force

Reasonable force may only be used to prevent a child from hurting himself or another, from damaging property or from causing disorder.

There are circumstances when it is appropriate for staff in schools to use reasonable force to safeguard children and young people. The term 'reasonable force' covers the broad range of actions used by staff that involve a degree of physical contact to control or restrain children. This can range from guiding a child to safety by the arm, to more extreme circumstances such as breaking up a fight where a young person needs to be restrained to prevent violence or injury. 'Reasonable' in these circumstances means 'using no more force than is needed.' The use of force may involve either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of the classroom.
