

PROSPECTUS

Yardleys School

WORKING TOGETHER FOR A BETTER FUTURE

a warm
welcome

...this outstanding school exemplifies the very best in educational provision, showing that young people can achieve exceptionally well...

OFSTED

02

It is my absolute honour and privilege to introduce myself as the Headteacher of Yardleys School...

Our aims are simple: we strive for academic excellence, want to educate the whole child and place collaboration at the heart of our school.

We are extremely proud of our students and the diverse, multi-cultural community they represent. We are proud of our teaching and support staff and the dedication and hard work they show to get the best for every child.

We are proud of our governors for their selfless determination and generosity of spirit to support the school. We are also, of course, proud of our strong partnership with our parents and carers for their support and the trust they place in us to keep their child safe, nurtured, cared for and giving them the best educational experience.

Our school culture is underpinned by the 'Yardleys Charter', a set of principles to which our whole community adheres. These are: being ready to learn; being respectful to others; being responsible.

We want to develop a sense of pride in young people and their achievements and to build a community that cares for others.

We believe in education in the widest sense. We want pupils to be curious, independent thinkers and to try new experiences.

A wide range of activities outside lessons are provided to all pupils including visiting speakers, trips, careers advice, competitions, clubs, sports, arts, charitable work and extra tuition.

We think we have something special here at Yardleys, but our recipe for success is simple. We work as a team, parents, students, staff and governors, to ensure everyone strives to reach their potential.

Our young people deserve the very best care, support, education and guidance to succeed in the challenges of a global world; we take that responsibility extremely seriously.

NEIL WARNER
Headteacher

INTRODUCTION

Yardleys is a co-educational, multicultural comprehensive school in the Tyseley district of the City. The school takes its name from the amalgamation of Yardley Grammar School and the Leys Secondary School in 1975.

The history of our school can be traced back to 1260 making it one of the oldest schools in the City. In 2013 the school became an academy trust but one that remains a single school which values its independence and long standing culture and ethos.

values & excellence

YARBLEYS SCHOOL VALUES

Our school motto is 'Keep Troth' which means staying true to your core values and principles. We believe that the following values or qualities apply to both adults and children. They are the foundation to both a high quality academic education as well as pupils' character development and their preparation for life after school. Everything that we do at Yardleys is based on these values. These, together with our three school rules of being 'Ready, Respectful and Responsible', are encapsulated in our Yardleys School Charter.

 Curiosity

 Empathy

 Integrity

 Positivity

 Reflection

 Resilience

Yardleys School Charter

Staff & Students believe everyone at Yardleys School should:

Be Ready

- show **positivity** and enthusiasm;
- be motivated & have high expectations of ourselves & others;
- be **curious** and ready to learn new things;
- be fully prepared for all activities with everything you need;
- communicate with others regularly and effectively;
- have excellent attendance and punctuality;
- be well presented and smartly dressed;
- show **resilience** when faced with challenges

Be Respectful

- recognise that we are all equal individuals;
- have regard for each other's personal space and privacy;
- take care of the building, equipment and the environment;
- be polite, considerate and kind to everyone;
- communicate in a calm and polite manner;
- actively listen to others;
- appreciate others' beliefs, opinions & cultures;
- show **empathy** and maturity when dealing with sensitive issues

Be Responsible

- be safe and look after each other;
- complete work on time and to a high standard;
- behave well with **integrity**: even when no-one is watching;
- be a positive role model and representative of the school;
- recognise that we are responsible for our own actions;
- be fair in your treatment of others;
- give our full effort to everything you do;
- **reflect** on all that we do and learn from our mistakes

AIMS

We are a school that aims:

- To achieve academic excellence
- To educate the 'whole child' so they are ready for life
- To work collaboratively and ethically to provide education of the highest standard

...good-humoured, open and friendly dialogue between teachers and students reinforces a delightful working ethos in lessons. Students are keen and proud to show staff and visitors what they have learned. Students concentrate hard in lessons and show commitment to learning in class...

OFSTED

We have very high expectations of ourselves as well as our pupils and are committed to:

HIGH STANDARDS:

We insist on high standards from our pupils at all times (with regard to behaviour, attendance, punctuality, organisation, presentation, effort and achievement).

TARGET SETTING:

Each pupil is given a challenging target in every subject to ensure that they reach their potential. These targets are based on pupils' prior attainment at primary school and always match, if not exceed national minimum expectations.

high expectations

PRACTICE TESTS & MOCK EXAMS:

It is vital that pupils are able to demonstrate their learning in formal examinations. Therefore we have set up a system of regular tests and practice exams which inform pupils, parents and teachers of their strengths and weaknesses in each subject. This is then used to direct further improvement, extra revision or resources.

HOMEWORK:

Homework is set and completed online weekly and focuses on the learning of core knowledge and practicing of essential maths skills. Support is available after school every day and parents are updated weekly on their child's performance.

...students concentrate hard in lessons and show commitment to learning in class. They take up most of the many and varied additional learning opportunities provided by the school in high numbers...

...there are many examples of excellent teaching practice with high levels of challenge...

OFSTED

OUTSTANDING & INSPIRING TEACHING

We aim not only to instruct pupils but to inspire in them the love of a subject as well as learning in general. OFSTED judged Yardleys to have outstanding teaching stating that "there are many examples of excellent practice with high levels of challenge."

Continuing to improve standards of teaching remains the key priority of the school with all teaching staff attending weekly training sessions to improve their practice.

RAISING ASPIRATIONS

We seek to raise pupils' aspirations by celebrating success and giving guidance about progression routes into higher education and employment opportunities.

RELIGIOUS EDUCATION

Through Religious Education we aim to prepare pupils for life in a multicultural society, recognising and building upon the strengths of cultural diversity.

We seek to promote equality and tolerance by increasing the pupils' knowledge and understanding of the world's major religions.

In accordance with the 1988 Education Reform Act parents have the right to apply to the Headteacher of the School to have their child excused for the whole or part of Religious Education. A similar right exists with regard to School assemblies and acts of collective worship.

academic excellence

ACADEMIC CURRICULUM

At Key Stage 3 (Years 7-8) all pupils follow the National Curriculum. The core subjects are: English, mathematics and science; they also study art, history, geography, RE, modern foreign languages, ICT/computing, design technology, music, drama and PE. In Years 7-8 pupils are taught in ability groups for English, mathematics and science.

At Key Stage 4 (Years 9-11) all pupils study the core subjects of English (Language and Literature), mathematics, science (Biology, Physics, Chemistry) as well as non-examined courses in PE, Personal Development and General Studies in addition to three optional examined courses.

We have a wide range of GCSE and vocational courses covering the humanities, creative and performing arts, science and technology on offer to suit the needs of all our pupils. All course studied in KS4 lead to GCSE or other equivalent, accredited qualifications. The English Baccalaureate is available to all pupils.

**WORKING TOGETHER
FOR A BETTER FUTURE**

ACADEMIC SUPPORT & INTERVENTION

Pupils are well supported throughout both key stages to ensure they achieve their best. There is a particular focus on the core skills of literacy and numeracy with an extensive programme of 'catch up' sessions for those who have fallen behind.

There are homework clubs, online exercises, revision programmes and booster sessions in place to help pupils achieve their potential.

ENRICHMENT & EXTRA-CURRICULAR ACTIVITIES

We believe that true education goes beyond the classroom and that we develop pupils personally, socially, culturally as well as intellectually. Enrichment & extra-curricular activities therefore play a very important part in the life of the school and in the development of our pupils. We offer all pupils a wide range of opportunities and activities particularly through Wednesday afternoon enrichment sessions.

...pupils are cheerful, considerate, very hard working and thoroughly enjoy school. They throw themselves into learning in and outside of the classroom because teachers have captured their interest and enjoyment of study...

OFSTED

Many teachers also enhance their subjects and lessons with trips to local, national and international places of interest.

- Duke of Edinburgh Award
- a daily assembly or tutor period with a focus on spiritual, moral, social, and cultural issues
- a wide-ranging programme covering health, welfare issues including e-safety
- visiting speakers including politicians, business leaders, scientists and environmentalists
- university 'taster' lectures
- competitive inter-house challenges
- fund raising for charities
- a range of sports including competitions inside and outside of school
- additional 'booster' classes and clubs in a wide range of subjects
- drama, dance and music productions
- art exhibitions and other displays
- environmental and community work including gardening
- careers education and guidance
- international visits

Leadership & responsibility...

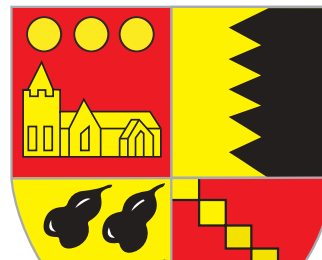

All pupils are given the opportunity to express their views on school issues and improvements through pupil council meetings...

We also encourage pupils to take up positions of responsibility as part of their wider education including:

- Membership of form, house and school councils
- Form captains
- Reading coaches
- Representatives of the School on Interfaith issues
- Peer mentors
- Sports captains & leaders
- Library monitors
- Receptionists and guides

...the school has a number of different student groups and individuals that take on responsibility for a range of projects. Students are generous in their financial support of a wide range of charities...

OFSTED

LUNCH ARRANGEMENTS

School lunch is served in the school canteen and Cooper Hall offering a full range of healthy foods and where halal food is always available.

Pupils may bring a packed lunch but only under exceptional circumstances are they allowed to go home for lunch.

Pupils are not allowed out of school to buy lunch.

**excellent
care &
support**

...care, guidance and support for all students is outstanding. One student encapsulated the commitment of every member of staff when she said “I’d say they are really committed to the job. They do more than the job really is...not just for the money...they care about what students get out of it”

OFSTED

PASTORAL CARE

Our pastoral system, which is based on year groups, is a real strength of the school.

All pupils are allocated to a tutor group on entry to school and most will stay in this group, with their form tutors, for 5 years.

We place pupils into groups with great care.

We ensure that we address any issues of concern to pupils at the time of transfer and have created a secure environment with zero tolerance of bullying in and out of school and including online.

STUDENT SUPPORT

We work with several outside agencies who provide a comprehensive range of services to ensure that children are supported and have someone to listen to their concerns.

Support includes:

- Counsellors who offer one to one work and small groups focus on pupil wellbeing. (Pupils may be referred to an external expert or agency if they require additional specialist support).
- Careers staff advise on work experience, college courses and vocational choices. Support is available through a structured careers programme from Year 7 onwards.
- A fully qualified and experienced lead first aider and a team of first-aiders are on hand to deal with any medical needs pupils may have.
- A team of specialist staff who support pupils with special educational needs or disabilities.
- A range of groups which focus on literacy, numeracy, reading and handwriting.
- Staff who work with pupils whose first language is not English.
- Additional activities to support or extend pupils who are identified as being exceptionally able.

high standards...

BEHAVIOUR & DISCIPLINE

Good behaviour is essential in a school community, our staff are here to teach and our pupils are here to learn. With this in mind we have a robust behaviour policy which includes strategies to support pupils who need additional help.

There are three school rules which apply to all pupils and staff:

 **Be Ready**

 **Be Respectful**

 **Be Responsible**

We focus on pupil achievement and success.

We believe that pupils learn through praise, reward and we celebrate success in a variety of ways; parents can expect to receive notification of improvements, attainment and effort.

Occasionally we have to resort to sanctions to address persistent poor behaviour or disruption to lessons. We use daily/weekly reports and if necessary, withdrawal of privileges, detentions and an isolation room. Serious misconduct or repeated misdemeanours which affect the work or well-being of other children or staff will result in a meeting with parents and may lead to an exclusion. We keep parents informed of any problems.

A pupil's school days should be happy and fulfilling and at Yardleys we know that we are most successful when home, school and pupils work together.

ATTENDANCE & PUNCTUALITY

We insist on good attendance and punctuality and as parents/carers you have a legal duty to ensure that your child receives an education. Our aim is that every pupil should achieve at least 96% attendance.

A pupil with full attendance makes better progress in many different ways; learning will improve, targets will be reached and relationships will flourish.

Furthermore, good habits formed at school prepare pupils for the world of work where employers value reliable employees.

Morning school begins at 8.40 am with the first lesson at 8.45 am. Registers are taken at the beginning of each period and there is a full roll call during form period at 2.40 pm.

If your child is absent, we ask that you contact the school as soon as possible.

Your child's Head of Year or our attendance officer will contact you on the first day of absence if we have no information.

Absences are either authorised or unauthorised and only the school can authorise an absence. We will refer your child to The Integrated Family Services Team if there is persistent unauthorised absence or lateness. If after a period of working with you, your child's attendance does not improve, legal action can be taken against you, the parents, in a Magistrates Court; an application to the Family Proceedings Court for an Educational Supervision Order or a request to Social Services to investigate.

In order to be fair and equitable to all pupils and families holidays during term time are not permitted. Please note that if you take your child on holiday, they may lose their place in the school or parents/carers may be subject to legal action.

The Heads of Year are available to discuss issues of concern with parents and pupils.

All pupils need to bring the supplied school bag and their own basic equipment and stationery including a pen, pencil, ruler and calculator.

Pupils are responsible for safeguarding and maintaining school books and equipment both at home and in school.

Pupil lockers are available in the school.

uniform & equipment

UNIFORM

Girls

Yardleys Black Blazer

health & safety...
...procedures to ensure the safety of students
are robust and rigorously applied... OFSTED

CHILD PROTECTION STATEMENT

The school takes its responsibilities in regard to Child Protection very seriously and will always refer any issues of concern to the appropriate authorities, which include the police and Social Services departments. It is our legal duty to do so and we follow procedures laid down for all schools by local and national government. It may be that we have to consult those agencies even before we contact you. Areas of concern include physical abuse including chastisement of a child by physical means, sexual or emotional abuse and neglect.

Furthermore, if staff become aware of, or have a need to become involved in, situations where a pupil may be at risk of hurting themselves or others, or if the behaviour of a pupil seriously disrupts the good order in the school or causes damage to property, staff may need to take steps to intervene physically. In such circumstances staff will follow the school's policy for dealing with such situations.

Both the Child Protection Policy and the Restraint Policy are available from the school.

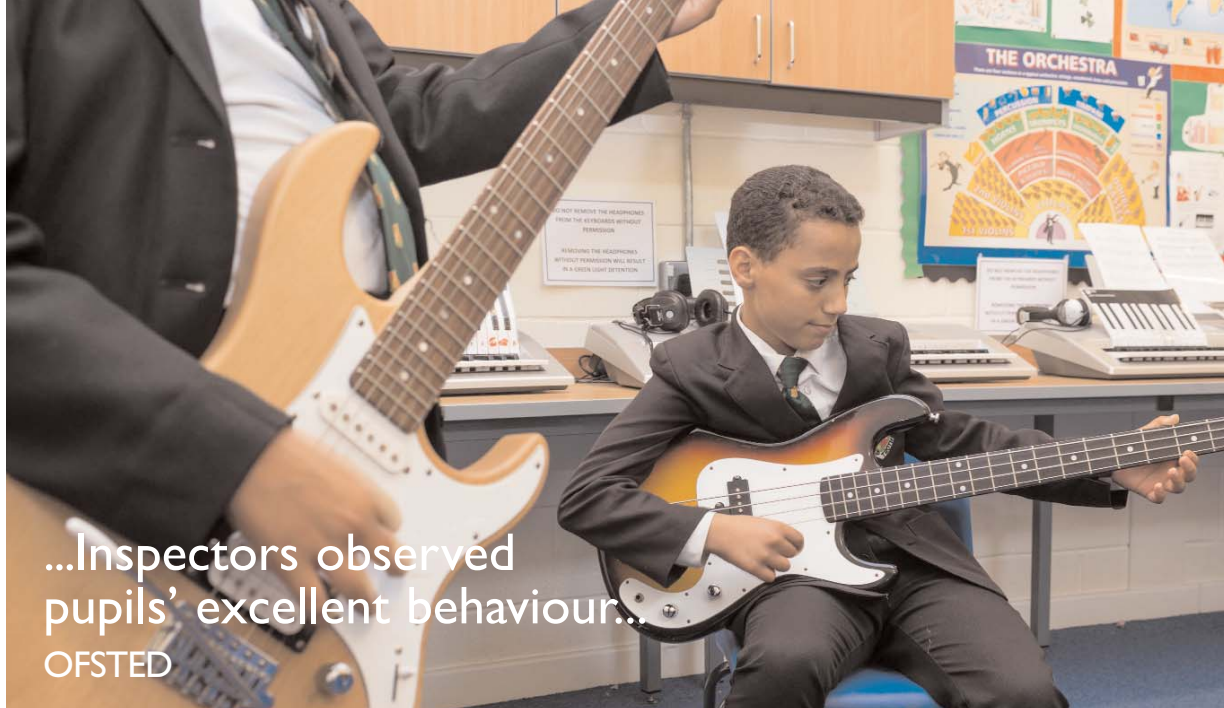

HEALTH & SAFETY

We place particular emphasis on health and safety in and out of school. We plan trips and activities outside of school carefully and monitor procedures such as fire drills regularly. We supervise the arrival and departure of pupils through the school gates.

Yardleys was the first secondary school in the city to win the Healthy Schools Award. This award is assessed on healthy eating, personal, social and emotional wellbeing, sporting activities and citizenship. We also offer a comprehensive programme of sex education for all pupils. We are always sensitive to the religious and cultural needs of our pupils and their parents.

DATA PROTECTION

The school will collect and store pupils' and parents' personal data and information in accordance with the GDPR of 2018. The school will share relevant information with other professionals where appropriate and in accordance with Codes of Practice.

...Inspectors observed
pupils' excellent behaviour...
OFSTED

ADMISSIONS POLICY

Yardleys is designated as a community school for the 11-16 age range and 180 pupils are admitted annually in September.

The school is heavily oversubscribed and there is a waiting list for each year. Most recently there were over 1400 applications for Year 7 places and the distance factor was approximately 0.8 kilometres.

...Pupils know that they are
cared for... OFSTED

welcoming

ADMISSIONS CRITERIA

When there are more applications than places available at the school the following criteria will be used to determine which children will be allocated places:

1. Looked After Children (In Public Care)
2. Children with a brother or sister at the school who will still be in attendance at the time the sibling enters the school
3. Children who live nearest the school

TRANSFER FROM PRIMARY SCHOOL

We place great emphasis on primary school liaison and our induction process includes visits by staff and students to our feeder schools with return visits to school.

We run a very successful Open Evening which is followed up with an Induction Day and Induction Evening for pupils who have gained a place at Yardleys and their parents.

GOVERNING BODY

The Chair of the Governing Body is Ms Jean Helme; any parent interested in joining the Governors, or indeed any parent with any concerns, is welcome to contact her through the school.

VISITING THE SCHOOL

We welcome parents and carers to visit the school either during formal open days or by appointment.

COMMUNICATION WITH PARENTS

We communicate regularly with parents including via: newsletters; website; text messages on urgent matters to all parents; letters and updates from the headteacher; academic reports, progress review days and parents' evenings; meetings, by appointment, with teachers, form tutors, heads of year and senior staff.

Any parent with a complaint or enquiry is welcome to contact the Headteacher.

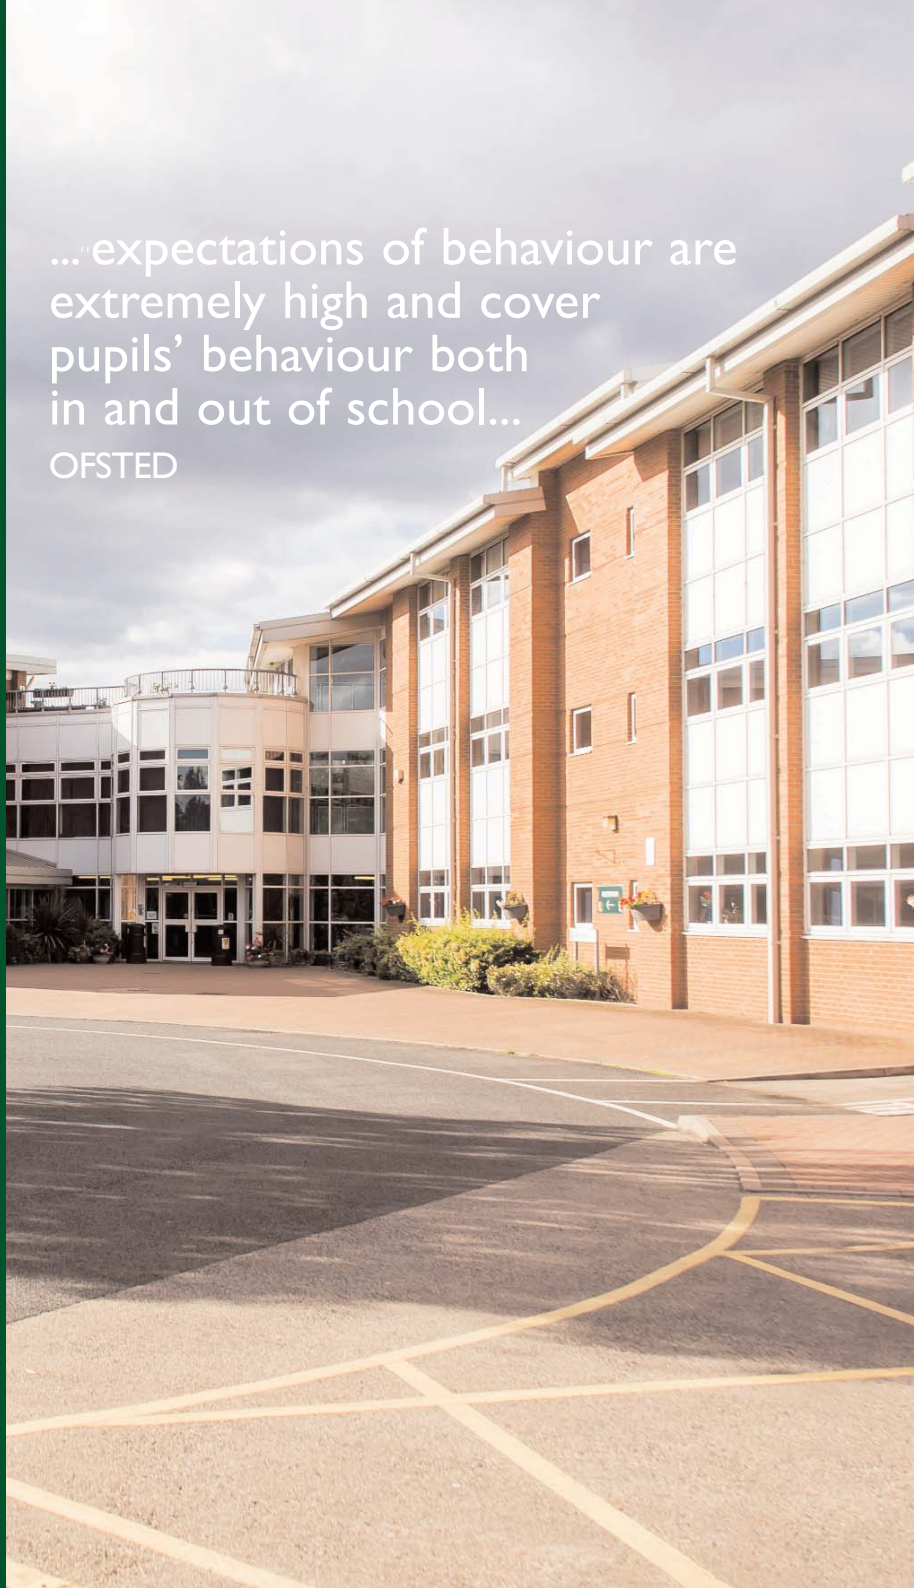

excellent facilities

...users cherish the new building which contains wonderful examples of how to celebrate and display students' work in every nook and cranny...

OFSTED

...expectations of behaviour are extremely high and cover pupils' behaviour both in and out of school...

OFSTED

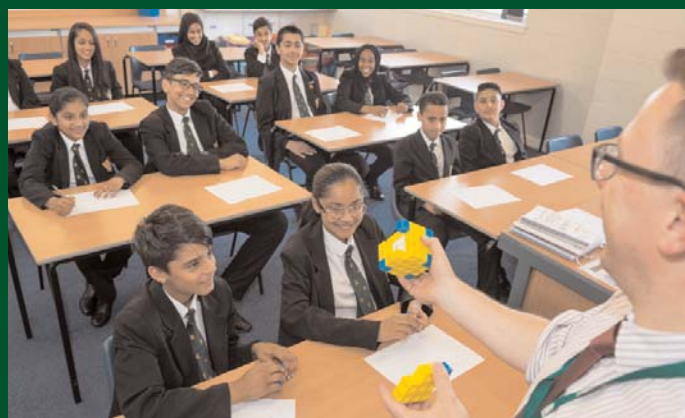

Yardleys School benefits from having a new modern building which is very well maintained with light and open classrooms. We are constantly developing and improving these facilities, most recently with the addition of several classrooms, toilets and a multi-purpose hall.

There are specialised areas for subjects such as ICT, technology, science, music and drama and an extensive library which is open from 8 a.m. until 4.30 p.m. every day.

The school has a large sports hall, separate gym, multi-use hall and playing field for a range of sports including football, tennis, cricket and basketball.
